Welcome!

Support

If you need any help at this time – whether it's obtaining groceries and essentials or you're finding it hard to cope, please don't hesitate to contact any of the staff team (details on the front of the newsletter).

Barney's Health Team

The Barney's Health Team includes Alby Lam, Denise Lam, Mei Yong Chan, Michael Li and Simmie Chung. If you have any questions, especially regarding the coronavirus and church, please contact one of the team members or email health@stbarneys.org.au.

Growth Group

Our church growth groups are no longer meeting face-to-face and have moved online. If you're not part of a group, please let Alby know and we'll add you in. It's a great way to stay connected and to support each other.

AGM

Our church annual general meeting will be postponed until we are able to meet again. Elected office holders will remain in office until such time as it is possible to elect their successors.

Easter

We will stream our Easter services online. Let's not forget how great Easter is – that God has given us the cure for sin and death, his own Son! We have every reason to praise God and celebrate, and every reason to share that news with everyone around us.

Welcome to Church... Online

In light of the growing spread of COVID-19, the Archbishop announced on Wednesday that all public church gatherings in Anglican churches are suspended until further notice. right one – to love and protect the community around us and those who come to church.

However just because we can't meet up physically, doesn't mean that we can't meet up. Praise God that we live in a time where we have technology literally at our fingertips so that we can keep gathering as the people of God. A big thanks to the live streaming team for working behind the scenes (Dan, Gordon, Gordon, Michael and Sam).

Today's live streamed service is just one example of the opportunities that's there in front of us. Our growth groups will keep meeting up online as well. Can I also really encourage **everyone** to make every effort to encourage and care for each other? It's a job that God gives to all of us (Heb 10:24-25). Call them up using voice or video, send them a message, ask how they're going, pray together.

God graciously makes us brothers and sisters in Christ, and calls us to reach the lost. Technology may have changed, but none of that has. Welcome to Church!
